SAVE EDGEWATER

The Lake Must Not Be Fenced In or Sheridan Road Used as a Garage.

The Gang is reported to be fencing in the lake up in Edgewater, so that public access to the lake shore is denied to citizens, rich and poor alike.

These fences should be torn down by the city or the Lincoln Park board. Immediate adoption of the plan agreed upon by the Chicago plan commission and the city council's committee on harbors looking toward a comprehensive development of the lake front so it can be of use to everybody for bathing beaches and other purposes is advocated in a statement issued by Charles H. Wacker, chairman of the commission. He urges the people

of Chicago to learn a lesson from the hot wave.

Commenting upon these encroachments on the rights of the people the Daily News said editorially:

"What a blessing to the people of Chicago these facilities for health-giving recreation would have proved if they had been in existence at the time of the recent prolonged period of excessive heat. Surely it ought to be possible to settle speedily the differences that are productive of such serious loss to the people."

Using Sheridan Road for a garage in the vicinity of Balmoral avenue

causes Edgewater residents to be rightfully indignant at the Auto Gang's antics.

Lake Michigan belongs to the people. Edgewater residents are not included, however.

The waters of the lake are being barred from all, rich and poor alike. No wonder there is a feeling of indignation over the matter.

Great indignation is felt in Edgewater over the action of certain people in shutting the public off from the lake shore. The park board is blamed.

line pumps in this state to determine whether motorists are receiving short measure. This move is the result of disclosures made at the conference of state city commissioners of weights and measures with the federal bureau. Secretary Stevenson attended the meeting as the Illinois delegate.

The results of an investigation conducted by the bureau of standards in New York, Philadelphia, Pittsburgh, St. Louis, Dayton, O., and Springfield, Mass., were submitted to the conference. F. J. Schlink of the bureau stated that more than half of the gas-line pumps in these cities were found to be defective and giving short measurement.

Mr. Stevenson said he had drafted a bill to be presented to the session of the legislature providing for state supervision of weights and measures.

LAKE SHORE FENCED IN

Edgewater Residents Said to Be up in Arms Over Alleged Exclusion Tactics by a Hotel.

People with a "Pull" are alleged to have fenced in about 400 feet of the Lake Michigan beach.

There is said to be much indignation over this matter and a big fight is brewing.

The Edgewater shore line is attracting attention in other quarters. Who gets the use of the lake shore line in front of the Saddle and Cycle Club?

Members of the Boys' Brotherhood Republic took up the fight for use of the club's hitherto undisputed privilege to the shore by enlisting the aid of the State Rivers and Harbors Commission, and Mayor Thompson. The boys asked the city and state to uphold the old sailors' law, which permits untrammeled use of the beach line.

Chicago is taxed nearly to death and there is more coming.

The Federal Government outside of its special taxes levies an income tax and a Corporation tax.

The other taxes in Chicago are levied by the following bodies: State Tax—For state purposes. The governor, auditor and treasurer constitute the board which ascertains the rate per cent required to produce the amount of taxes levied by the general assembly. The "state school tax" is levied in the same manner.

County Tax—The county board levies the taxes for all county purposes.

City Tax—The city council, acting with the mayor, levies the taxes for all city purposes.

School Tax—The city council and the mayor make a separate levy for this purpose.

Library Tax—The city council and the mayor make a separate levy for this purpose.

Sanitary District—The tax is levied by the board of trustees.

South Park System—The South Park Commissioners levy for park

purposes in the towns of South Chicago, Hyde Park and Lake.

West Park System—The West Chicago Park commissioners levy for park purposes in the town of West Chicago.

Lincoln Park—The Lincoln Park commissioners are not "corporate authorities," the Lincoln Park act not having been adopted by popular vote. The levy for Lincoln Park is made by the county treasurer, acting as ex officio supervisor.

Ridge Park—A small park district in Rogers Park, organized under the law providing for local park districts by popular vote. The board of five commissioners levies for the district. The North Shore Park District—Organized the same as Ridge Park.

WILSON TO TALK HERE OCTOBER 19TH.

President Accepts Invitation for Address at Auditorium Theater.

Chicago will be host to President Wilson on Thursday, Oct. 19. At the invitation of a number of civic and industrial organizations the President will come to Illinois for a speech at the Auditorium Theater that is expected to be one of the most important of the presidential campaign.

It is expected that the President will come direct to Chicago for the address and will return to Shadow Lawn shortly after it is delivered as he wishes to avoid the pomp and circumstance as well as the interference with his duties which a swing across the country on a campaign special would entail.

Urgent invitations to look in on several banquets arranged for the time of his coming have been sent to the President, but the detailed plans for his trip have not been decided and no acceptances beyond that for the time of his speech have been sent out.

Except for the dedication of the Lincoln memorial in Kentucky the Chicago speech will be the first address delivered by the President west of the Alleghenies since his renomination.
